What is ASEP?

The After School Enrichment Program (ASEP) is an independent 501c3 organization and member of SFUSD's Expanded Collaborative for Excellence in Learning (EXCEL). ASEP's mission is to provide the community with equal access to quality after school enrichment programming through Arts Enrichment, Academic Support and Health and Wellness. For over 20 years ASEP has served the McKinley Community with our Comprehensive Program, Language Program and Specialty Club Programs.

What is "Comprehensive ASEP"?

Open to grades Kindergarten through 5th, Comprehensive ASEP is an all-in-one after school program that runs Monday - Friday from 2:05pm (following day school dismissal) - 6:00pm. During Comprehensive ASEP students are provided a healthy meal and engage in Theme Based Learning, Homework Assistance, Arts Enrichment and PlaySEP.

What is ASEP's "Language Enrichment Program"?

Monday, Tuesday, and Thursday from 2:05 to 4:00pm and Wednesday from 12:50pm to 4:00pm, ASEP offers a quality language enrichment program crafted specifically for Kindergarten through 5th grade after school and the McKinley community. ASEP's Language Program is designed for weekly curriculum themes focusing on Art, Music, Physical Education and Reading/Vocab Comprehension. Three levels of Spanish and two levels of Mandarin classes are offered. Enrollment priority will go to returning students. Otherwise, enrollment will be based on a lottery system. Space is limited in all Language classes. Sign up for these programs as soon as enrollment opens.

Does the Language Program have extended after care after 4pm?

To further accommodate McKinley community, for an additional cost ASEP offers extended Language After Care Monday-Thursday from 4:05pm-6:00pm and Fridays from 2:05pm to 6:00pm.

What is ASEP's "Specialty Clubs Program"?

Throughout the week ASEP offers "after-school clubs." ASEP's Specialty Clubs start at 2:05pm on Mon, Tue, Thu, and Fri and at 12:50pm on Weds. Most Clubs are in session twice a week and generally last an 1 hour. Specialty Clubs offer the community a part time option or additional enrichment supplementing Comprehensive ASEP. Enrollment for Comprehensive ASEP is based on a first come, first serve policy. To increase chances of being placed in preferred activities, ASEP recommends applying right away. However, under certain circumstances, priority will be given to families who are returning or have a sibling in the Comprehensive Program. ASEP will send out more information regarding enrollment instructions in the coming weeks and months. Rising kindergarten families are encouraged to contact ASEP staff directly at info@asepsf.org with any questions regarding the 22-23 after school year enrollment process.

**Tuition and Scholarship Q & A
McKinley 2022-2023**

What is ASEP's tuition and scholarship structure?

ASEP charges flat rate tuition for all of our programs on a monthly bases, for the 10 month school year. ASEP is a non-profit and its tuition contributes to its yearly costs. ASEP's total yearly cost is divided equally among these 10 months for two reasons:

- It results in a set and expected tuition amount every month for families
- It allows for a less complicated invoice process, with fewer changes and room for error.

The chart below outlining ASEP's tuition fees for the 22-23 school year program options, followed by additional information regarding ASEP's registration fee, scholarship application and reduced tuition options.

Please note that ASEP prorates all aftercare prices if your child attends Specialty Clubs and Comprehensive ASEP or Language Program simultaneously.

Registration Fee:

ASEP charges a nonrefundable \$50.00 registration fee for all families that apply to ASEP's, Comprehensive or Club programs. This nominal registration fee helps to cover the administrative costs associated with ASEP's yearly enrollment process. This fee also helps to ensure that ASEP's enrollment system continues to maintain a high quality and efficient process for years to come.

Scholarships:

Due to support from the San Francisco Unified School District and the City and County of San Francisco (Department of Children, Youth and Their Families) ASEP offers scholarship (no charge to families) slots for the comprehensive program and limited scholarships for clubs. Please check the income eligibility chart below to see if your family qualifies for a scholarship.
