

Program Offering Q & A Daniel Webster 2024-2025

What is ASEP?

The After School Enrichment Program (ASEP) is an independent 501c3 organization and member of SFUSD's Expanded Collaborative for Excellence in Learning (ExCEL). ASEP's mission is to provide the community with equal access to quality after school enrichment programming through Arts Enrichment, Academic Support and Health and Wellness. For over six years ASEP has served the Daniel Webster community with quality after school programming.

What is Comprehensive ASEP?

What are ASEP's Specialty Clubs?

Throughout the week ASEP offers "after-school clubs." ASEP's Specialty Clubs start at 2:05pm on Mon, Tue, Thu, and Fri and at 12:50pm on Weds. Most Clubs are in session twice a week and generally last an 1 hour. Specialty Clubs offer the community a part time option or additional enrichment supplementing Comprehensive ASEP. Because space is limited in all clubs, ASEP uses a lottery enrollment system. Club spots fill up within the first week of registration, spots may not be available thereafter. However, under certain circumstances, priority will be given to families who are returning or have a sibling in the Comprehensive Program. ASEP will send out more information regarding enrollment instructions in the coming weeks and months. Rising kindergarten families are encouraged to contact ASEP staff directly at info@asepsf.org with any questions regarding the 24-25 after school year enrollment process.

Tuition and Scholarship Q & A Daniel Webster 2024-2025

What is ASEP's tuition and scholarship structure?

ASEP charges flat rate tuition for all of our programs on a monthly bases, for the 10-month school year. ASEP is a non-profit and its tuition contributes to its yearly costs. ASEP's total yearly cost is divided equally among these 10 months for two reason s:

- It results in a set and expected tuition amount every month for families
- It allows for a less complicated invoice process, with fewer changes and room for error.

The chart below outlining ASEP's tuition fees for the 24-25 school year program options, followed by additional information regarding ASEP's registration fee, scholarship application and reduced tuition options.

Please note that ASEP prorates all aftercare prices if your child attends Specialty Clubs and Comprehensive ASEP simultaneously.

2024-2025 ASEP Monthly Program Tuition Prices (subject to change)						
Comp ASEP Only	1 Club Only	2 Clubs Only	3 Clubs Only	1 Club + Aftercare	2 Clubs + Aftercare	3 Clubs + Aftercare

Registration Fee:

ASEP charges a nonrefundable \$50.00 registration fee for all families that apply to ASEP's, Comprehensive or Club programs. This nominal registration fee helps to cover the administrative costs associated with ASEP's yearly enrollment process. This fee also helps to ensure that ASEP's enrollment system continues to maintain a high quality and efficient process for years to come.

Scholarships:

Due to support from the San Francisco Unified School District and the City and County of San Francisco (Department of Children, Youth and Their Families) ASEP offers scholarship (no charge to families) slots for the comprehensive program and limited scholarships for clubs. Please check the income eligibility chart below to see if your family qualifies for a scholarship.
